

Single Sign-on Authentication System

Pre-Approved Registration  
Workflow

# Pre-Approved Registration Workflow

- After contacting your GeoUnit point of contact by phone or email, you may receive an invitation to complete the registration process for access to additional assisted support options.
- Assisted support options include access to Data Exchange, complete Software Release announcements, Release documentation, and Knowledge Base articles.

# Delivering Digital at Scale

Making better decisions faster—connecting data, people, and ideas to the latest digital technologies from project to enterprise

Contact us →

If you are an existing customer/user of Software Support ([www.software.slb.com](http://www.software.slb.com)) use the following workflow to log into these site.

Support Hub

Delivering the highest quality technical support in the industry

**Register/Login**  
Click Support Login to begin the authentication process.
